	3 Days	\$16,750	\$19,850
	2 Days	\$10,800	\$12,850

Tuition

Yearly tuition is set and will be charged for the full school year for all students. There are two payment options available for tuition:

- Entire year's tuition is paid in full by September 1st (10 month schedule).
- Three monthly installments for September 1st, November 1st, and January 1st (10 month schedule)

If choosing the three monthly installment option, all checks must be submitted with your signed tuition contract in the form of head checks. The school will then deposit them on the noted dates. At the time of registration, a non-refundable registration fee of \$200 is due in order to process your registration.

If we are able to accommodate your child, a letter/email confirming your child's acceptance will be sent to you together with the tuition contract. To guarantee your child a place in our program, this tuition contract must be signed and returned together with a \$1,000 non-refundable deposit (which will go towards your last month's tuition payment). This will reserve your child a place in our daycare. An admission card will be issued to you, upon receipt of your signed tuition contract, tuition payments, and all additional fees. This card must be brought along with your child on the first day of school. No child will be admitted to daycare without an admission card.

- If you register your child after the school year commences, the full amount of annual tuition is still due on the child's first day of school. Any child that registers after November, tuition is prorated according to the next year's tuition prices.
- An additional \$150 fee will be charged to anyone who changes their child's schedule after the first week of school.

Refunds and Termination: Parents who withdraw their child in the middle of the school year must notify the daycare in writing. There are no refunds on tuition. *

**In case of a health emergency or moving out of town tuition refund will work as follows: You will lose the deposit and an addition two months of tuition unless you have another child to fill your exact spot, in which case, you will only lose your deposit*

A child's enrollment may be terminated by the daycare for non-payment of fees; the child has a medical or behavioral problem which the school is not able to handle. Parents will be given two weeks' notice and an explanation prior to the date of termination. If the daycare terminates a child's enrollment, a prorated refund of tuition will be made.
